Historian: our special guest at this month's meeting is Lenard Zudy from the Mazomanie Historical Society. It seems that Harlen Beulow was a recipient of a citation of honor while in the Army Air Corps. Unfinished business: Commander Smith explains how to get to our domain page. Pretty easy even for me just go to home page and type in wipost437.org in the search bar and click on it. Check it out and tell us how it worked for you. Let us know what else you would like to see there.

New Business: Veteran's Day is coming up next month on the 11th of November. At our next meeting we will talk about the program at the school. Hope it's on the domain page so all of you reading this that want to attend will get that message of what time it is. Also, next year is our nation's 250th birthday and we're thinking of things to do. Please email back to me with some ideas you might have.
